SERVE THE CITY LUXEMBOURG

Masques
Masks (version 2)

Etape 1
Step 1

- Découper un rectangle de tissu de dimension :

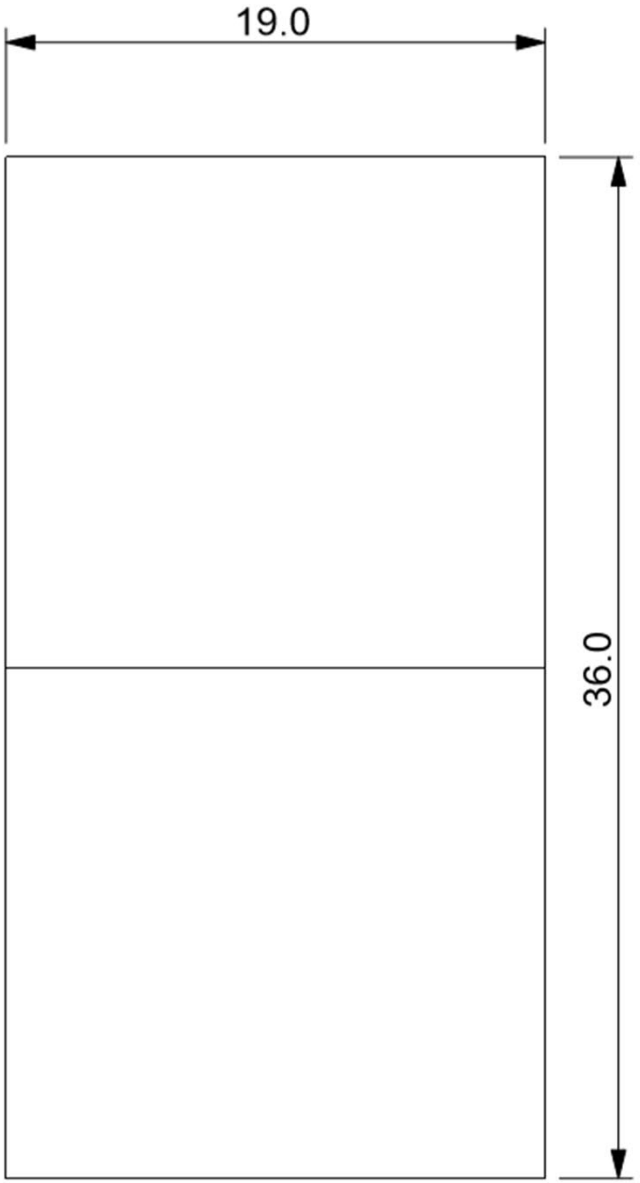
  Longueur 36cm

  Largeur 19cm

- Cut a piece of cloth with the following dimensions :

  Length 36cm

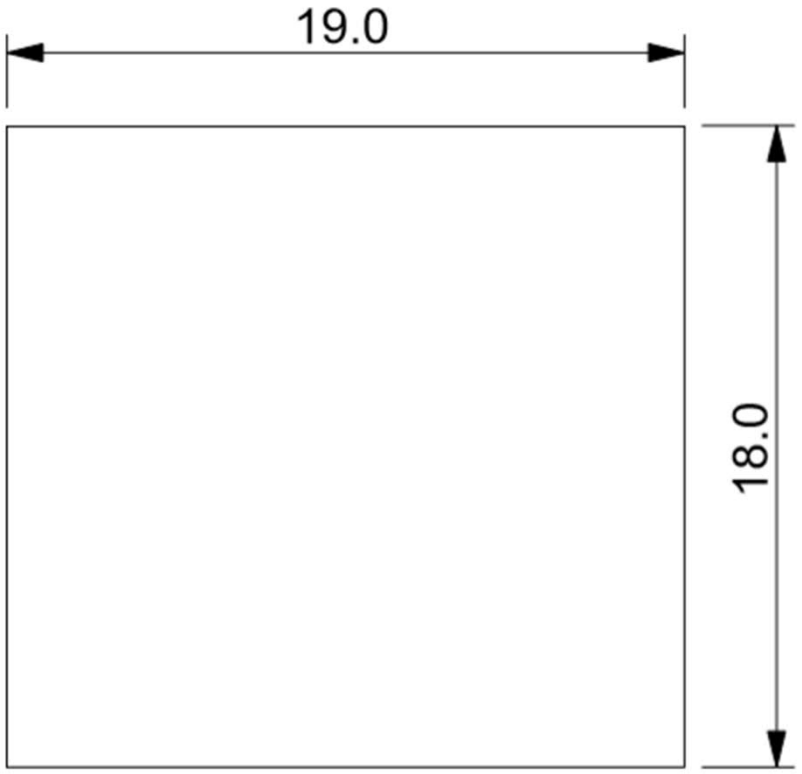
  Width 19cm



Etape 2
Step 2

- Plier le rectangle de tissu en 2 de telle sorte que le tissu soit à l'envers

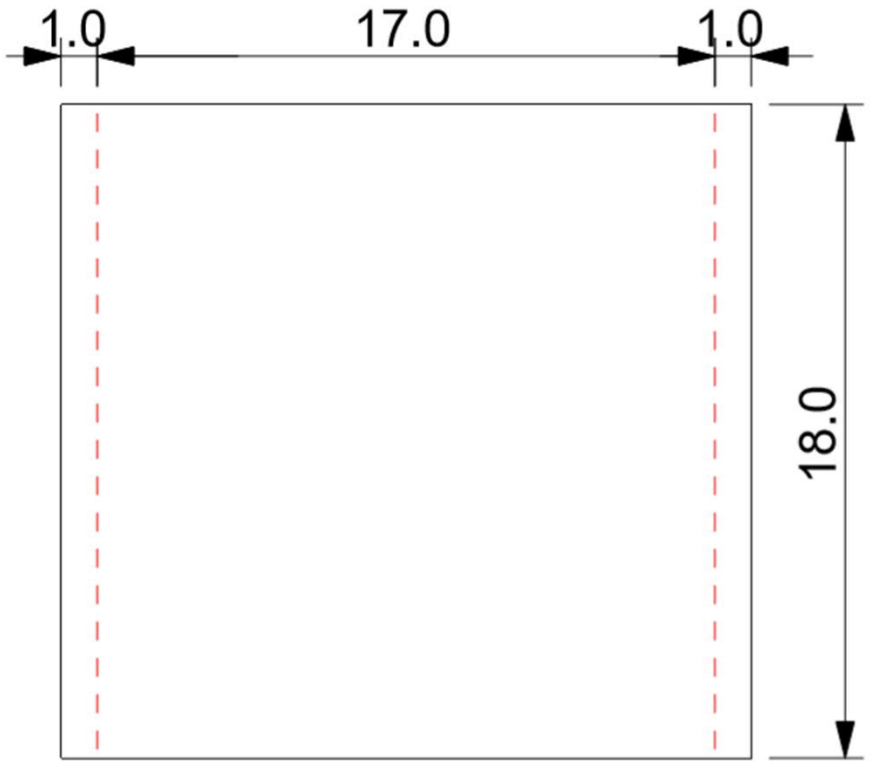
- Fold the rectangle in 2 in so that the cloth is upside down



Etape 3
Step 3

- Faire les coutures latérales à 1 cm du bord

- Sew on the sides at 1cm from the edges



Etape 4
Step 4

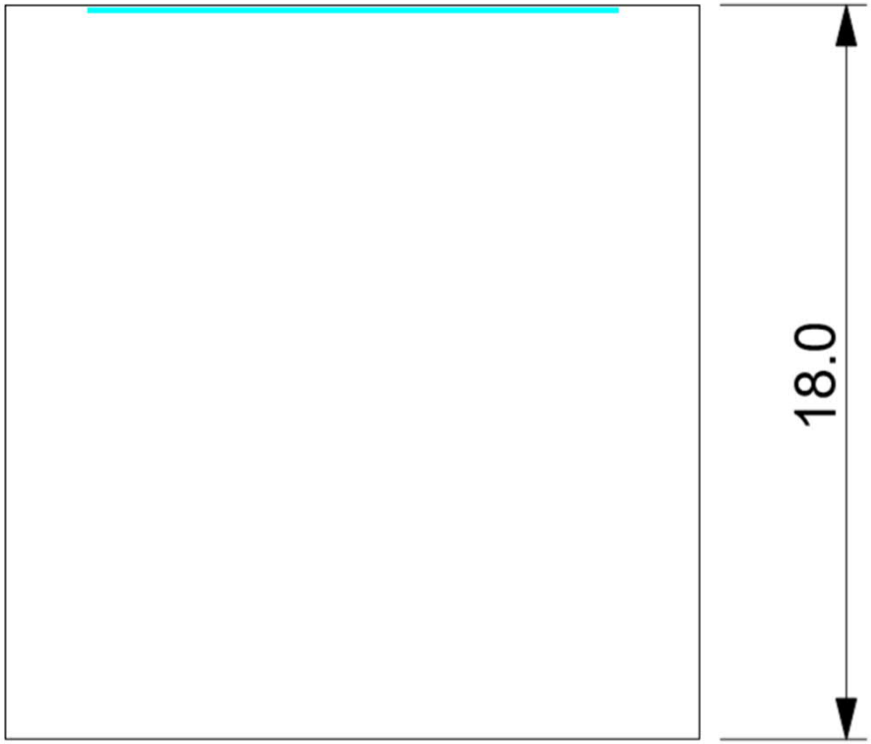
- Retourner le tissu à l'endroit

- Turn the cloth right side up

Etape 5
Step 5

- Placer la barre métallique

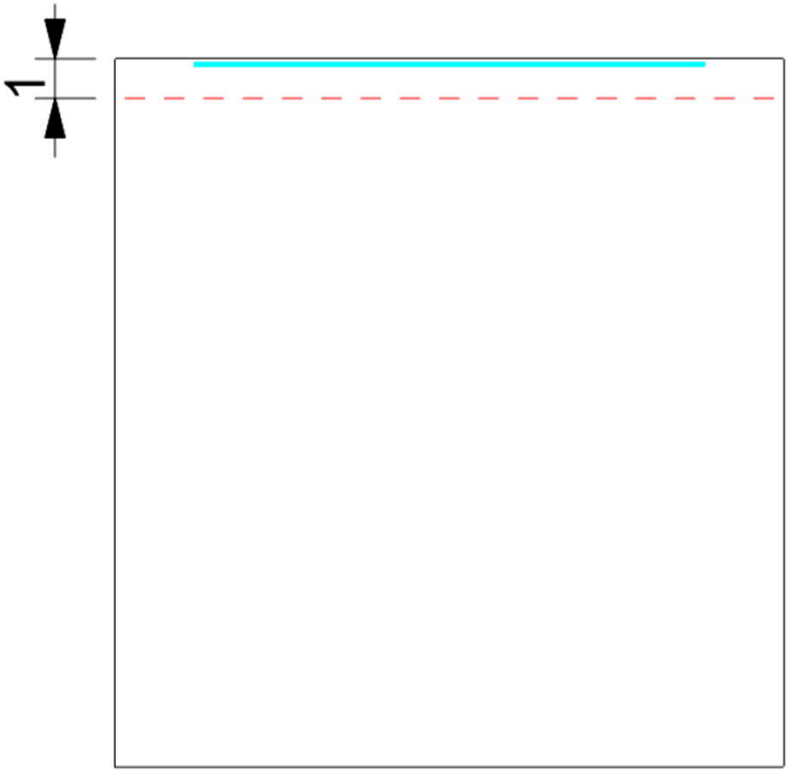
- Place the metallic bar



Etape 6
Step 6

- Coudre horizontalement la zone contenant la barre métallique en réalisant une couture à 1 cm du bord supérieur

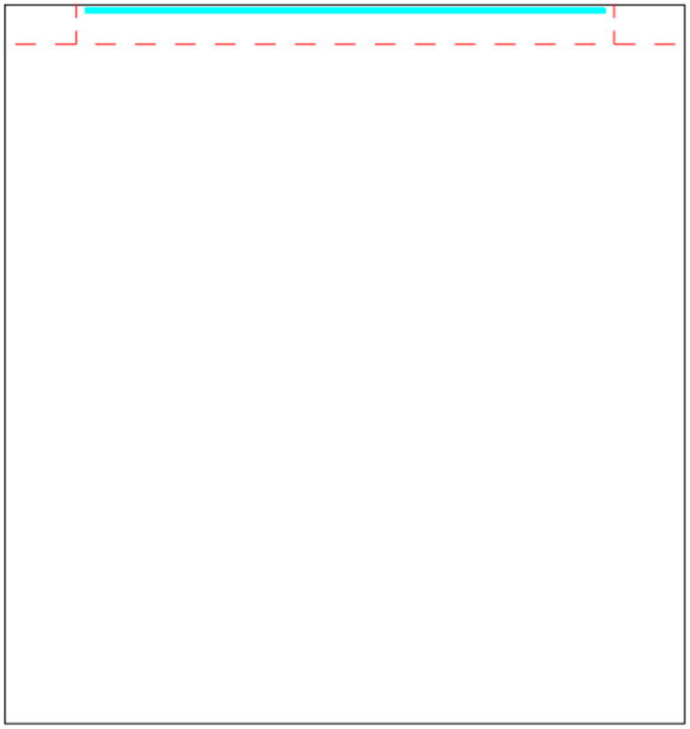
- Sew the area containing the metallic bar horizontally by making a sewing 1 cm from the upper edge



Etape 7
Step 7

- Coudre verticalement la zone contenant la barre métallique en cousant le plus près possible des extrémités de la barre

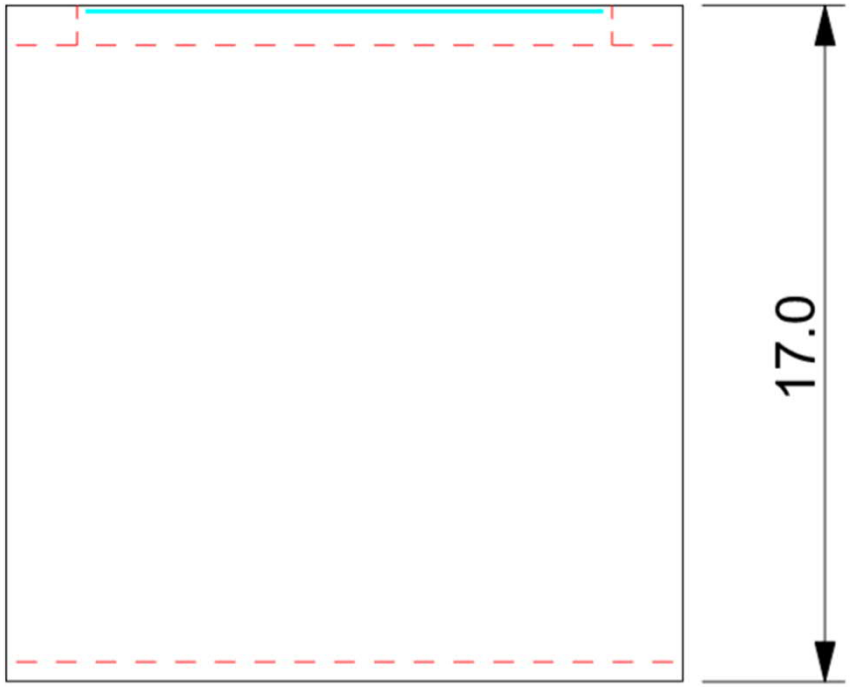
- Sew vertically the area containing the metallic bar by sewing as close as possible to the ends of the bar



Etape 8
Step 8

- Rentrer 1cm de tissu sur la partie basse pour fermer le bas du masque et coudre à 0.5cm du bord

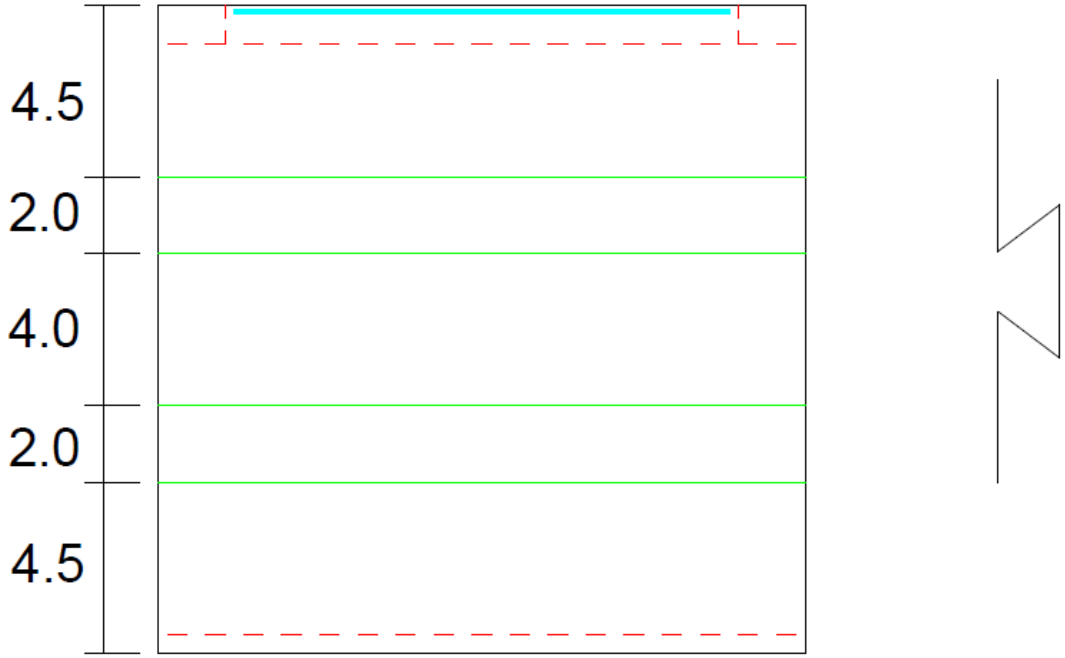
- Tuck in 1cm of cloth on the lower part to close the mask and sew at 0.5cm from the edge.



Etape 9
Step 9

- Plier maintenant le tissu en vous servant d'un fer à repasser pour marquer les plis et en vous servant des lignes en vert

- Now fold the cloth using an iron to mark the folds using the green lines

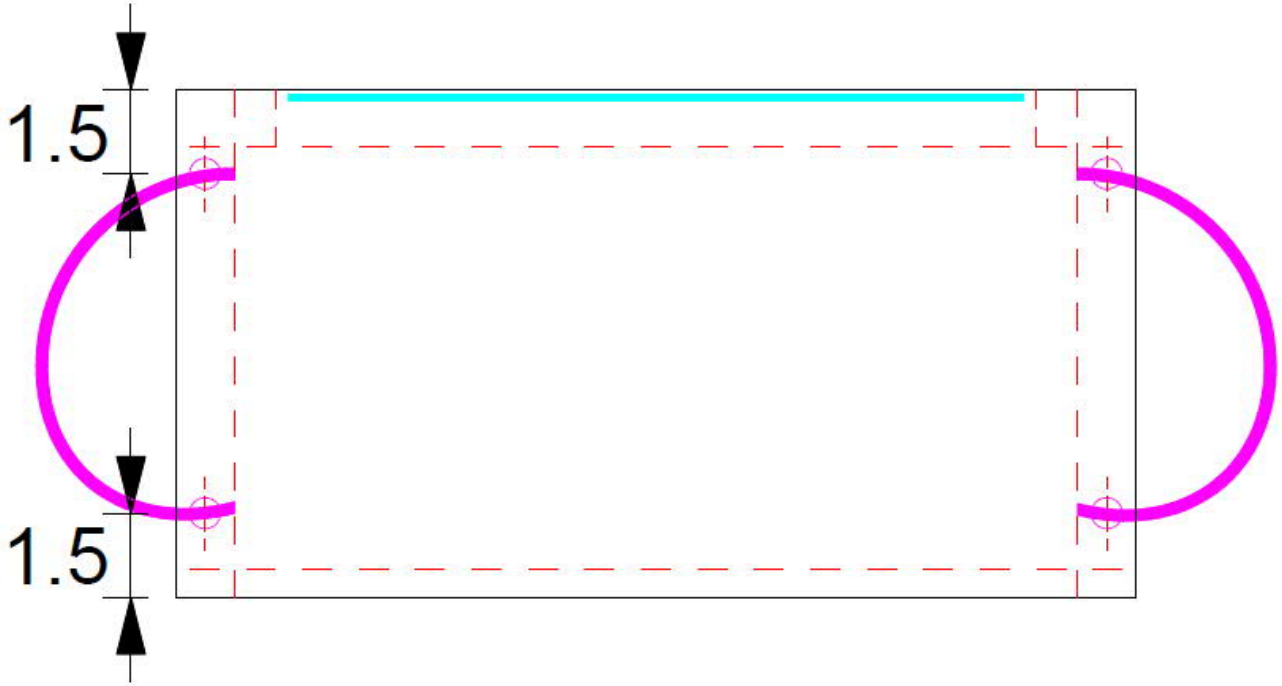


Etape 10
Step 10

- La largeur finale atteint environ 9.0cm

- The final width of the mask reaches about 9.0cm

Etape 11
Step 11

- Coudre les élastiques sur l'envers. Passer plusieurs fois avec la machine pour bien fixer les élastiques


- Sew the elastics on the reverse side. Pass several times with the machine to secure the elastic bands.
