WE CONNECT VOLUNTEERS TO LOCAL OPPORTUNITIES

Dear Friends,

2020 has been a year like no other. The pandemic has impacted our daily life to an extent we could not even have imagined. It has been difficult for all of us. As a charity, it has forced us to redefine our means of action, a real opportunity to develop new projects in favour of people in need. Let's face it, vulnerable people have been the most affected by the sanitary crisis and its economical impacts. They need us now more than ever, please be assured we won't let them down.

This crisis offers us a once-in-a-lifetime opportunity to rethink our model of development, our relation to work and the way we interact with others. It is call for action, in our divided society solidarity is no longer an option. Our growing community of volunteers is more motivated than ever to get involved and have a real impact on our neighbourhoods. With the whole team, our valued partners and your precious support, we will continue to develop meaningful projects at the service of common good. Let's all work together to make our cities more inclusive, resilient and sustainable!

THANKS FOR YOUR SUPPORT !

Serve the City Luxembourg depends on the tireless dedication of hundreds of volunteers who invest their time in caring for people in need. We also depend on the voluntary financial donations of people like you.

WHY SUPPORT US?

Serve the City is an **association sans but lucratif** in Luxembourg. We do not receive state support and rely on the generosity of individuals and corporate and social partners to fund our work. Your contributions empower our hundreds of volunteers to act.

Your donation will make it possible for us to **organise activities and equip volunteers to serve** people in need. If you have seen the positive impact of volunteering with STC why not make a donation to provide others the same opportunity to make a difference?

We do not currently employ any staff. **All the behind-the-scenes work is done on a volunteer basis.** The number of man hours behind Serve the City is impressive, and we're so grateful to everyone who gives their time and skills towards Serve the City.
